COUNSELORS IN TRAINING (CIT)

7th-9th Graders

Full Day • \$345 per week • 8:45am–3:15pm

Dates Available: June 2 – August 29

Counselors in Training (CIT) work closely under the guidance of Lead Counselors, gradually taking on more responsibilities while working with younger campers. They assist in facilitating games, leading creative activities, and guiding groups through various camp locations. Throughout this experience, CITs learn what it means to take ownership of their roles, develop key leadership skills, and are mentored by their more experienced peers. This program provides a valuable introduction to leadership, preparing CITs for future roles within the camp. In addition to hands-on experience, CITs will participate in weekly meetings focused on developing their skills and understanding effective leadership strategies. The CIT camp is offered as part of our overall camp experience and can be registered through the camper application. All CITs are carefully reviewed by the Camp Management Team to ensure they are ready to take this important next step before enrollment.

As a CIT, you are expected to help the counselors run a safe and fun day at camp. Some ways you can do this are connecting with your campers via jokes, supporting your counselors with bathroom breaks, and/or leading a game or sport.

Most importantly though, it is crucial to keep safety our top priority. This means we must not use our phones, actively participate, and watch over our campers carefully. Below are some extra examples of ways to keep camp fun and enjoyable for both you and your campers!

Here is what a typical day might look like for a Counselor in Training!

During Attendance/Check-In:

- Greet campers by name
- Give high fives
- Compliment campers on their outfits
- Consider starting a small group game (duck, duck, goose/heads up, 7 up)

During Campfire/Team Ticket Challenge/Wacky Wednesday:

- Be supportive, prideful, and excited to participate in the activities
- Be on the lookout for campers who are not engaged and try to invite them back

During Lunch:

- Ask kids about their favorite parts of the day
- Ask kids about their weekends/nights/families, etc.
- Help younger campers with bathroom breaks and/or opening milk, juice, etc.

During Park Time/Activities:

- Participate in a game or activity with the counselors and campers
- Actively monitor for safety concerns (fighting, climbing too high, etc.)

PRE- & AFTER-CARE

Pre-Camp Care: \$15 per day

After-Camp Care: \$30 per day

Pre/After-Camp Bundle: \$40 per day

Our Pre- and After-Care program offers flexible options to accommodate your family's schedule, ensuring your child's camp experience is both convenient and fun.

Pre-Care begins at 7:30am and takes place in a comfortable, supervised childcare setting. This service is available for all ages and includes a light snack to start the day. Pre-Care is a great way for campers to ease into their day and socialize with friends before their camp activities begin. Best of all, families can sign up for Pre-Care on a day-by-day basis, offering maximum flexibility.

After-Care is available for campers ages 4 years old through rising 3rd graders. After their regular camp day ends, campers can stay until 6:00pm to continue the fun. During After-Care, children will hang out with our counselors, enjoy a snack, and engage in a variety of fun, relaxing activities, extending the camp experience in a casual, low-pressure environment. Families have the option to sign up for After-Care on a daily basis, allowing you to customize your schedule as needed.

For our 4th graders and up, we offer the Club48 program, which runs after regular camp hours until 6:00pm. Club48 offers a dynamic, action-packed environment where older campers can participate in additional activities, social events, and recreational fun.

Both Pre- and After-Care are designed to provide a seamless experience, so you can focus on your day while knowing your child is having a great time with our dedicated counselors.

What to Bring and What NOT to Bring to Camp

While we gather indoors at the start and end of each day, campers need to be prepared to play outside, swim, and walk to various destinations throughout our community. We are always on the move, so remember to label ALL of your camper's belongings! Your daily packing list should include:

- Small backpack with two shoulder straps
- Water bottle (*we will purchase one for any camper that forgets a water bottle and charge your camp account*)
- Comfortable, weather-appropriate clothing that is okay to get dirty
- Swimsuit (we'll provide the towel!)
- Sneakers (required every day!)
- Sunscreen (we recommend SPF 45+)
- Light jacket or sweatshirt on cool mornings

Your daily packing list should NOT include:

- Electronics (*Camp is a technology-free zone, any correspondence that you need to have with your camper can be communicated to the camp staff. Campers are here to unplug and play while at camp!*)
- Toys
- Outside food
- Money or anything of value

Lost & Found

Label everything and bring as little as possible. We will be moving around a lot, and it is often difficult for children to hold onto their things. Our staff will do their best to teach the children to be responsible for their items, but LSF is not responsible for lost, stolen, or broken items. Lost & found items will be put into the lost & found cabinet, which is located behind the front desk.

Wristbands

Your child's wristband needs to be worn at all times while they are participating in a camp program. The wristbands are used for identification and security purposes. If your camper has an allergy or dietary restrictions, they will need to wear an additional wristband with their allergen.

Camp Groups

Our team of counselors will be trained with the ability to work with all ages and with consistency being the overall goal. Camp groups will include mixed ages. We typically keep campers within a similar age range.

Allergies

Camp Lakeshore is NUT-FREE. We take allergies very seriously and must ensure the safety of our participants. Outside food is prohibited from camp – campers cannot bring a sack lunch, snacks, or any other food to camp. If your camper has an allergy or dietary restrictions, they will need to wear a wristband with their allergen. Each camper with an allergy will proceed through the buffet line with a Counselor Buddy.

Sunscreen

We ask that all parents apply sunscreen prior to camp. Additionally, all campers must supply their own sunscreen for us to re-apply throughout the day. Our team can only apply spray sunscreen this summer – please be sure to provide spray sunscreen for your camper.

Medications

Camp staff will administer medications at camp. All details regarding medication and allergies must be included in your Health History Form in your Parent Portal. Medicine must be in the original container and include a label. All prescriptions must be current, and staff must follow the instructions as listed on the label. All medications, including Epi-Pens, must be brought daily and will be sent home daily and checked in and out with a team member each day.

Illnesses

We ask you to be extra mindful if your child becomes ill this year. If your child has any Covid symptoms, please keep them home. In general, if your child is unwell, we ask that you keep them home to prevent the spread of other illnesses as well. Please report all illnesses to our team at Camp@LakeshoreSF.com. If a child becomes sick at camp, the camper will be removed from all other campers and team members until a parent is able to arrive. No other refunds will be issued due to illnesses.

Guidance and Discipline at Camp

LSF takes a positive approach to guidance and discipline, and we expect campers to be responsible for their behaviors. If all campers and staff are able to act and treat each other with respect, we are confident that every camper will have fun! If behaviors become inappropriate or threatening, parents may be called to pick up their child immediately and may risk being asked to leave the program.
