Back to the 80's Bash!

January
24th

Celebrate LSF's 5th anniversary by remembering when the club was first completed -- in the 1980s! All week long, we will feature 80's music throughout the club and some 80's style group fitness classes. Join us for an 80's themed dodgeball party on Thursday the 24th! Complete with complimentary food and drink for spectators and participants alike and a variety of other activities, this will be a party you do not want to miss! 1st place team and best team costumes will receive prizes!
